### Escapes in Spain and Tenerife

Our holidays are based in lovely Andalucia where the Mediterranean meets the Atlantic, and Europe gives way to Africa. This is a land where the lynx and the wolf still roam free in the mountainous, craggy landscapes.

Tenerife, sitting off the coast of Africa, is an island full of surprises for the artist.

12 - 19	September	Finca Las Nuevas
19 - 26	September	The Ronda Hills
